READING TOOLS

WhisperPhone Element is an acoustic tool that enables students to focus on internal sounds in any chosen language aloud.

- Enhances classroom activities
- Facilitates listening and building confidence
- Supports visual, auditory, and touch therapy

**New from WhisperPhone:**  
a box with 12 WhisperPhone Elements in 6 bright colours!

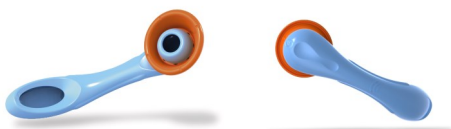

With its bright colours the WhisperPhone Element is even more fun to use.

WhisperPhone is an acoustic voice feedback headset that increases your own voice up to 10 times. It enables learners of all ages to focus and hear the sounds that make up words (phonemes) more clearly as they learn to read, spell or process language aloud.

Visit our website for more information on the WhisperPhone products [www.robo-toys.com](http://www.robo-toys.com).
