What kind of personal data is being collected:

Robo Educational Toys BV collects personal data because you make use of our services or/and you provide it to us. We collect the following personal data::

- First name / Last name
- Email address
- Telephone number

For which purpose do we collect your personal data:

Robo Educational Toys BV collects your personal data for the following purposes::

- To call or to email you in order to provide you with our products or our services.

How long do we keep your personal data:

Robo Educational Toys BV stores your personal data not longer than is necessary to achieve the goals we set by collecting your personal data.

Share your personal data:

Robo Educational Toys BV only processes your personal data when we have a legal obligation (e.g., tax or social security obligations) to perform such processing.

Change or remove your personal data:

You have the right to see, to change or to remove your personal data. This means that you can send us a request to send the personal data we have to you personally or to another party. You can send your request to: info@robo-toys.com.

How do we protect your personal data:

Robo Educational Toys BV takes the security of your personal data very seriously. We take every effort to protect your personal data from misuse, interference, loss, unauthorised access, modification or disclosure.

If you have any questions or concerns about our Privacy Notice or data processing or if you would like to make a complaint about a possible breach of local privacy laws, please do so by sending an email to info@robo-toys.com or call or office + 31 181 479356.
